STANDARDS OF EXCELLENCE: Baldwin Hardware Corporation has produced a range of products in accordance to the HIGHEST AMERICAN STANDARDS OF QUALITY AND EXCELLENCE. All brass products are manufactured from the finest quality brass obtainable; however, these products are susceptible to indentation and imperfections due to the malleability of the material and the elements of human intervention when crafting the product. Although our internal safeguards protect us against shipping products of unacceptable quality, an imperfection or surface blemish may be considered the highest Quality Standard obtainable on a particular product. Baldwin is committed to producing each item to the most stringent guidelines and quality of human ability and excellence; however, all final decisions of Quality remain exclusively in the authorization of the Corporation. While Baldwin makes every effort to provide an accurate price list, we are not responsible for errors and/or omissions which may appear. Customers will be invoiced the actual price on all orders.
