Limited Lifetime Mechanical Warranty: Baldwin warrants that each Baldwin product shall be free of mechanical defect for the original purchaser as long as you own your home.

Limited Lifetime Finish™ Warranty: The Baldwin Lifetime Finish uses advanced finishing technology (physical vapor deposition) to create a finish highly resistant to the effects of weather & normal wear & tear. The Limited Lifetime Finish Warranty on Lifetime Finish™ products covers the original purchaser for as long as you own your home.

Limited Finish Warranty: The Baldwin finish on Baldwin products (excluding Lifetime Finish & living finish products) is protected by a durable topcoat designed to maintain the beauty & quality of the Baldwin product. The Baldwin Limited Finish Warranty covers the original purchaser for five years from date of purchase for interior use & one year for exterior use.

Living Finishes: Due to the nature of Baldwin living finish products, they will wear over time & may already have begun the process before reaching your home. No finish warranty is offered on living finish products, which are designed to age & improve over time. Living finishes include raw brass, oil rubbed bronze, stainless steel, & other nonlacquered or non-PVD finishes.

**Home Connect™ Technology**

Baldwin’s Home Connect Technology enables the door lock to wirelessly communicate with other devices in the home.

Check lock status remotely, lock or unlock your home with a cell phone. Receive a text message when your child arrives home. Unlock your door, disarm the alarm, and turn on the lights, all with the click of a button. Baldwin’s keyless locks meet the demanding needs of the modern family.

**Innovative Security**
- Motorized deadbolt for true remote locking
- Revolutionary tapered deadbolt design
- Full 128-Bit encryption security

**Easy Integration**
- Installs in minutes
- Replaces existing deadbolt
- Uses 4 AA batteries (no hard wiring)
- Z-Wave wireless protocol

**Home Connect integration delivers the following benefits:**

- **Remote access advantages**
  - Lock/unlock doors via smart phone or internet connection while away
  - Receive remote notification when door lock is accessed
  - Check lock status remotely to see if doors are locked

- **Home control benefits**
  - Customize lighting scenes for convenience through lock keypad
  - Initiate thermostat away mode when leaving home and locking door
  - Save money while conserving energy usage through home/away modes via lock keypad

- **Security system enhancements**
  - Simplify security system control through lock keypad
  - Control locks from security system to lock/unlock door while arming/disarming
  - Single button security system arming via lock keypad

Home Connect integration delivers the following benefits:

Z-Wave Wireless Protocol
**Keyless Entry Deadbolt Features**

- Easy install in minutes with Screwdriver
- Fits standard door prep
- No wiring required
- 30 customizable user codes with easy add & delete
- 4 to 8 digit codes
- One touch locking
- Backlit keypad for increased visibility
- Incorrect code lockout feature
- Customizable features
  - Automatic door locking after 30 seconds
  - Door locked / unlocked LED indicator
  - Audible beep for activation
  - 4 AA batteries required
  - Low battery LED indicator
  - Motorized deadbolt for true remote locking
  - Tapered deadbolt design
  - Protected coated keypad preventing wear & discoloration
  - Automatic handling feature
  - Solid forged brass trim

**Keyless Entry Deadbolt Specifications**

- **Function**: Single Cylinder Deadbolt
- **Door Prep**: 2 3/8" Bore, 1" Edge Bore
- **Backset**: Adjustable 2 3/8" or 2 3/4"

**FAQ LIST**

**KEYLESS ENTRY WITH HOME CONNECT™ TECHNOLOGY**

---

**Does this product require a different installation?**
No, fits a standard tubular deadbolt prep.

**What is the estimated life of the batteries?**
Approximately 1 year of standard use.

**Are there issues with the motorized bolt in regards to weatherstripping expansion?**
The tapered bolt design was implemented in order to address these conditions.

**Can I get additional finishes or split finishes?**
No, these products cannot be extended into additional finishes or split finishes at this time.

**Are Keyed Alike sets offered?**
No, not at this time. Product will need to be rekeyed in the field.

**What is the Warranty?**
The Keyless Entry Deadbolts carry a Standard Estate Mechanical & Finish Warranty & a 1 Year Electronic Warranty.

**What keyway is used?**
’C’ keyway and cannot be keyed alike with a Kwikset ‘K’ keyway product.

**Are batteries included?**
No, AA batteries are not included and will need to be purchased separately.

**Where can I find more info about Baldwin products?**
Go to our website, www.baldwinhardware.com. It includes a certified Baldwin showroom locator for additional hardware needs.

**Handing determined by location of hinges. (LH) hinges are on the left & (RH) hinges are on the right.**
**Warranty & Finishes**

**Keyless Entry with Home Connect™ Technology**

- **Limited Lifetime Mechanical Warranty:** Baldwin warrants that each Baldwin product shall be free of mechanical defect for the original purchaser for as long as you own your home.

- **Limited Lifetime Finish™ Warranty:** The Baldwin Lifetime Finish uses advanced finishing technology (physical vapor deposition) to create a finish highly resistant to the effects of weather & normal wear & tear. The Limited Lifetime Finish Warranty on Lifetime Finish™ products covers the original purchaser for as long as you own your home.

- **Limited Finish Warranty:** The finish on Baldwin products (excluding Lifetime Finish & living finish products) is protected by a durable topcoat designed to maintain the beauty & quality of the Baldwin product. The Baldwin Limited Finish Warranty covers the original purchaser for five years from date of purchase for interior use & one year for exterior use.

- **Living Finishes:** Due to the nature of Baldwin living finish products, they will wear over time & may already have begun the process before reaching your home. No finish warranty is offered on living finish products, which are designed to age & improve over time. Living finishes include raw brass, oil rubbed bronze, stainless steel, & other nonlacquered or non-PVD finishes.

- **One Year Electronics Warranty**

  Refer to www.baldwinhardware.com for a complete warranty statement.

---

**Lifetime PVD Finishes:**

All Lifetime finishes are not alike. Baldwin developed the first Lifetime PVD finish more than 20 years ago & it continues unmatched today. That’s why we back it up with an industry-best Lifetime Finish Warranty.

Baldwin’s patented PVD (Physical Vapor Deposition) finishing uses a sophisticated formulation of layered nickel alloys to create crisp detailing & brilliantly pure color. It interrupts the aging process & provides outstanding resistance to corrosion in even the harshest salt air environments.

---

**Finishes:**

<table>
<thead>
<tr>
<th>Number</th>
<th>Finish</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>003</td>
<td>Lifetime Polished Brass</td>
<td>The original Baldwin Lifetime Finish creates a surface highly resistant to the effects of weather and normal wear and tear.</td>
</tr>
<tr>
<td>102</td>
<td>Oil-Rubbed Bronze</td>
<td>Oil-rubbed bronze is a living finish. It is un-lacquered &amp; designed to weather &amp; change with age. This results in wear patterns as the finish rubs off in highly-used areas, &amp; darkens in others.</td>
</tr>
<tr>
<td>112</td>
<td>Venetian Bronze</td>
<td>A lush, hand-relieved matte lacquered finish, varying in luster and hue as a result of handcrafted variances in the final finishing step.</td>
</tr>
<tr>
<td>402</td>
<td>Distressed Oil-Rubbed Bronze</td>
<td>Ruggedly tumbled to highlight details and bring an age-worn dimension to the lustrous texture of oil-rubbed bronze.</td>
</tr>
<tr>
<td>150</td>
<td>Satin Nickel</td>
<td>The Satin Nickel finish is nickel plating on brass that has been dulled &amp; lacquer coated. Satin Nickel is sometimes referred to as brushed nickel. It is similar in appearance to brushed stainless steel or brushed aluminum.</td>
</tr>
<tr>
<td>056</td>
<td>Lifetime Satin Nickel</td>
<td>A robust PVD finish to resist extreme weather and salt air, similar in appearance to our Satin finish.</td>
</tr>
<tr>
<td>260</td>
<td>Polished Chrome</td>
<td>The integrity of solid brass placed in highly polished chrome for a stunning mirror smooth finish.</td>
</tr>
<tr>
<td>264</td>
<td>Satin Chrome</td>
<td>Satin silver finish, polished, and plated on brass.</td>
