About the Petco Foundation

At the Petco Foundation, we believe that every animal deserves to live its best life. Since 1999, we’ve invested more than \$167 million in lifesaving animal welfare work to make that happen. With our more than 4,000 animal welfare partners, we inspire and empower communities to make a difference by investing in adoption and medical care programs, spay and neuter services, pet cancer research, service and therapy animals, and numerous other lifesaving initiatives. Through our Think Adoption First program, we partner with Petco stores and animal welfare organizations across the country to increase pet adoptions. So far, we’ve helped more than 5 million pets find their new loving families, and we’re just getting started. Visit petcofoundation.org to learn more about how you can get involved.
