TRAVEL SENTRY APPROVED

Every Travel Sentry® Approved Lock has a special identification mark alerting the TSA and other airport security agencies that they can open this lock without destroying it.

SPECIAL CODE

Each lock has a special code, which is used by the TSA and other security agencies to know which tool to use to open the lock.

SECURITY SCREENING

Every security screening location at all US airports and now many other international airports are able to open the lock and then relock it after inspection.

Locking your luggage protects your possessions from theft, tampering and misuse by smugglers
