Erinn Valencich is the founder and creative director of Erinn V. Design Group, the award-winning Los Angeles-based boutique design firm. Since 2004, her style has become synonymous with the classic California lifestyle. The granddaughter of a fine cabinetmaker and daughter of an architect who studied with Frank Lloyd Wright, Valencich's approach to design the importance of craftsmanship, materiality, and celebrates luxe, livable furnishings.

Baldwin's new Hollywood Hills collection by Erinn V. was inspired by the clean modernism of 1930s industrial design. Her work can be best described as Modern Classic with a fresh, yet timeless aesthetic.
