UNICELLULAR PLASTIC FOAM WORK VEST

THE COLEMAN COMPANY INC.
3600 N HYDRAULIC
WICHITA KS 67219

Models IWV-223 and IWV-224, Adult Universal or Adult Oversize, "WORK VEST", Type V PFD.

Vinyl coated, unicellular plastic foam construction sized as follows:
Adult Universal with chest 76-132 cm (30-52 inches), and
Adult Oversize with chest 102-157 cm (40-62 inches).

Model IWV-223 has retro-reflective tape.

The following optional features may be included: (1) chest strap adjustment, (2) whistle assembly, and (3) cut-out for use with a fall protection harness. When the optional cut-out is provided, the spacing between the right and left shoulder straps is increased to provide clearance for the harness hardware.

While a fall protection harness is not a USCG approved device, it may be used in conjunction with a USCG approved Type V work vest. The harness is not permitted to be permanently attached to the work vest.

B. A. BALDWIN
Chief, Lifesaving and Fire Safety Division
BY DIRECTION OF THE COMMANDANT

TERMS: The approval of the item described on the face of the Certificate has been based upon the submittal of satisfactory evidence that the item complies with the applicable provisions of the navigation and shipping laws and the applicable regulations in Title 33 and/or Title 46 of the Code of Federal Regulations. The approval is subject to any conditions noted on this Certificate and in the applicable laws and regulations governing the use of the item on vessels subject to Coast Guard inspection or on other vessels and boats.

Consideration will be given to an extension of this approval provided application is made 3 months prior to the expiration date of this Certificate.

The approval holder is responsible for making sure that the required inspections or tests of materials or devices covered by this approval are carried out during production as prescribed in the applicable regulations.

The approval of the item covered by this certificate is valid only so long as the item is manufactured in conformance with the details of the approved drawings, specifications, or other data referred to. No modification in the approved design, construction, or materials is to be adopted until the modification has been presented for consideration by the Commandant and confirmation received that the proposed alteration is acceptable.

NOTICE: Where a manufacturer of safety-at-sea equipment is offering for sale to the maritime industry, directly or indirectly, equipment represented to be approved, which fails to conform with either the design details or material specifications, or both, as approved by the Coast Guard, immediate action may be taken to invoke the various penalties and sanctions provided by law including prosecution under 46 U.S.C. 3318, which provides:

"A person that knowingly manufactures, sells, offers for sale, or possesses with intent to sell, any equipment subject to this part (*Part B. of Subtitle II of Title 46 U.S.C.*) and the equipment is so defective as to be insufficient to accomplish the purpose for which it is intended, shall be fined not more than \$10,000, imprisoned for not more than 5 years or both."
