# AI Fast Start

Achieve AI outcomes fast - Proven AI use cases in weeks with Lenovo

Almost two-thirds of companies today are struggling to realize the full value of AI<sup>1</sup>. Lenovo AI Fast Start solves this challenge by enabling you to prove the business value of AI use cases in just weeks. With flexible access to AI assets, experts, and partners, AI Fast Start helps you rapidly build and tailor a production-ready AI solution using your own data. Let AI Fast Start unlock your AI potential faster.

### AI Fast Start for Enterprise

Optimized for NVIDIA AI Enterprise and leveraging accelerators like NVIDIA NIMs, Lenovo AI Fast Start for Enterprise speeds up the rapid realization of generative AI solutions that meet your unique needs.

### AI Fast Start for AI PC

The configurable Lenovo AI PC Fast Start service enables customers to select from a comprehensive suite of capabilities to speed outcomes, including technical readiness and persona assessments.

### We meet you where you are

AI Fast Start can be deployed on the platform of your choice across Personal AI, Enterprise AI and Public AI domains

### Use cases ready to deploy in weeks

A production-quality AI use case is built with your data and tailored to the needs of your business to show value quickly

### Flexible access to resources

Virtual, onsite or aaS access to AI experts & platforms from Lenovo and our curated ecosystem of AI Innovators and partners.
