bark genie™

handheld bark deterrent

FABCU2 SERIES instruction manual

DO NOT USE THIS ULTRASONIC BARK CONTROL DEVICE UNTIL YOU HAVE READ THESE OPERATING INSTRUCTIONS

SAVE THESE INSTRUCTIONS

CAUTION: This device should not be used less than 12 inches from a human ear.

FCC STATEMENT
POTENTIAL FOR RADIO/TELEVISION INTERFERENCE

This product has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules.

These limits are designed to provide reasonable protection against harmful interference in a residential installation. The product generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that the interference will not occur in a particular installation. If the product does cause harmful interference to radio or television reception, which can be determined by turning the product on or off, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the product and the receiver.
- Consult the dealer or an experienced radio/TV technician for help.

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment.

OPERATING INSTRUCTIONS:

Installing the Batteries:

Open battery door by pressing the release lever. Install (4) new AAA alkaline batteries only. Do not use rechargeable batteries. Do not mix old and new batteries. Do not mix alkaline, standard (carbon-zinc), or rechargeable batteries. Make sure that the batteries are installed with the correct orientation for positive and negative terminals.

Install the included lanyard for easier carrying.

How to use:

1. When a bark from a dog is desired to be silenced (max effective range is 15 feet)
2. Press and hold the activation button. The LED will illuminate green.
3. You may also use as a training device. While your dog is in the act of unwanted barking, jumping, stealing food, or chewing quickly press the Bark Genie activation button and immediately use a verbal command like "NO", "QUIET" or "OFF" to help train your dog to stop the bad behavior.

Note: The ultrasonic sound is heard by dogs but not by humans

Operating Notes:

A short audible beep will be emitted to confirm your action and a green LED will illuminate.

An auto-shut off feature will stop the ultrasonic sound if the activation button has been pressed and held for more than 10 seconds. The feature will reset when the activation button is released.

A low battery is indicated when the LED is red.

Each dog can have a different reaction to the correction. These reactions can vary from a dip of the head, to shaking the head, whining, excessive barking, confusion, or running away.

1 YEAR WARRANTY

Sunbeam Products, Inc. doing business as Jarden Consumer Solutions or if in Canada, Sunbeam Corporation (Canada) Limited doing business as Jarden Consumer Solutions (collectively "JCS") warrants that for a period of one year from the date of purchase, this product will be free from defects in material and workmanship. JCS, at its option, will repair or replace this product or any component of the product found to be defective during the warranty period. Replacement will be made with a new or remanufactured product or component. If the product is no longer available, replacement may be made with a similar product of equal or greater value. This is your exclusive warranty. Do NOT attempt to repair or adjust any electrical or mechanical functions on this product. Doing so will void this warranty.

This warranty is valid for the original retail purchaser from the date of initial retail purchase and is not transferable. Keep the original sales receipt. Proof of purchase is required to obtain warranty performance. JCS dealers, service centers, or retail stores selling JCS products do not have the right to alter, modify or any way change the terms and conditions of this warranty.

This warranty does not cover normal wear of parts or damage resulting from any of the following: negligent use or misuse of the product, use on improper voltage or current, use contrary to the operating instructions, disassembly, repair or alteration by anyone other than JCS or an authorized JCS service center. Further, the warranty does not cover: Acts of God, such as fire, flood, hurricanes and tornadoes.

What are the limits on Sunbeam's Liability?

JCS shall not be liable for any incidental or consequential damages caused by the breach of any express, implied or statutory warranty or condition.

Except to the extent prohibited by applicable law, any implied warranty or condition of merchantability or fitness for a particular purpose is limited in duration to the duration of the above warranty.

JCS disclaims all other warranties, conditions or representations, express, implied, statutory or otherwise.

JCS shall not be liable for any damages of any kind resulting from the purchase, use or misuse of, or inability to use the product including incidental, special, consequential or similar damages or loss of profits, or for any breach of contract, fundamental or otherwise, or for any claim brought against purchaser by any other party.

Some provinces, states or jurisdictions do not allow the exclusion or limitation of incidental or consequential damages or limitations on how long an implied warranty lasts, so the above limitations or exclusion may not apply to you.

This warranty gives you specific legal rights, and you may also have other rights that vary from province to province, state to state or jurisdiction to jurisdiction.

How to Obtain Warranty Service

In the U.S.A. and Canada
