This

filter clip is designed specifically for use with air purifier models HAP2400, HAP242, HAP412, HAP422, HAP424, HAP706 & BAP825. The filter clip can only be attached to the hang tabs on the filter one way. The filter clip should easily slide onto the filter hang tabs with only a small amount of pressure. Do not use force while attaching the filter clip to the filter.

If you have a different model of air purifier, this clip will not need to be used and will in no way interfere with the performance of your Holmes® air purifier.
