STEP/ ÉTAPE / PASO **1**

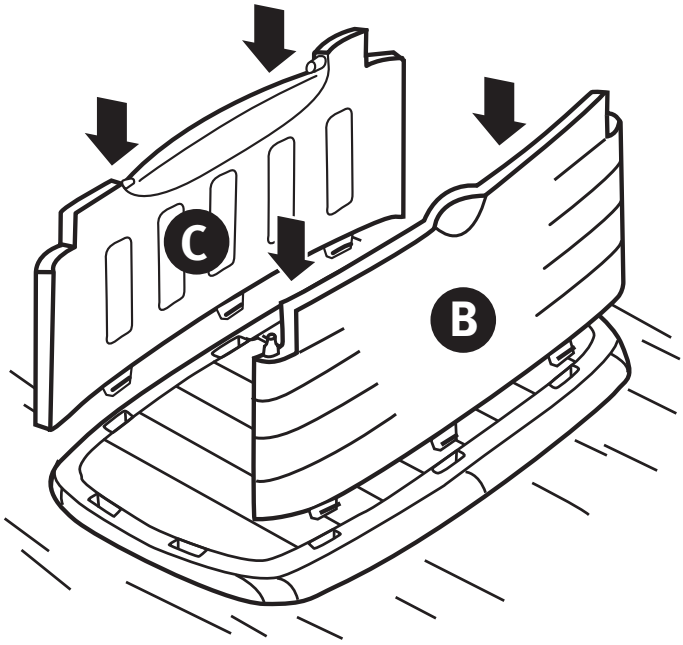

STEP/ ÉTAPE / PASO **2**

Using a hammer and screwdriver, carefully remove all tabs around perimeter.
À l'aide d'un marteau et d'un tournevis, retirez soigneusement tous les tampons autour du périmètre.
Usar un martillo y destornillador para remover cuidadosamente todas las guías en torno al perímetro.

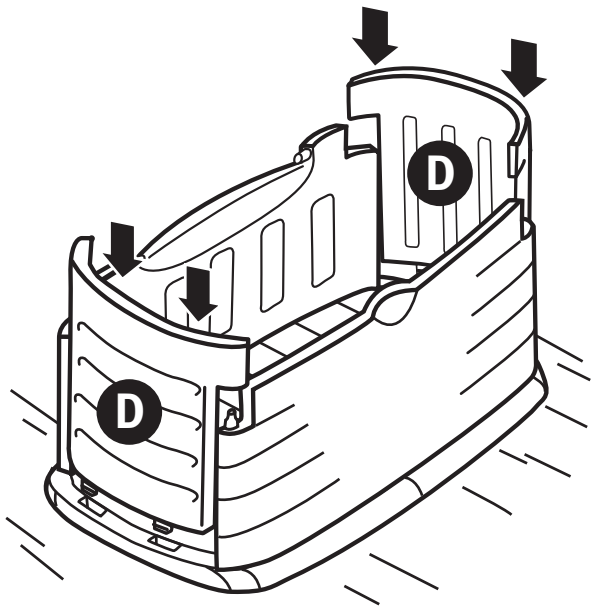

STEP/ ÉTAPE / PASO **3**

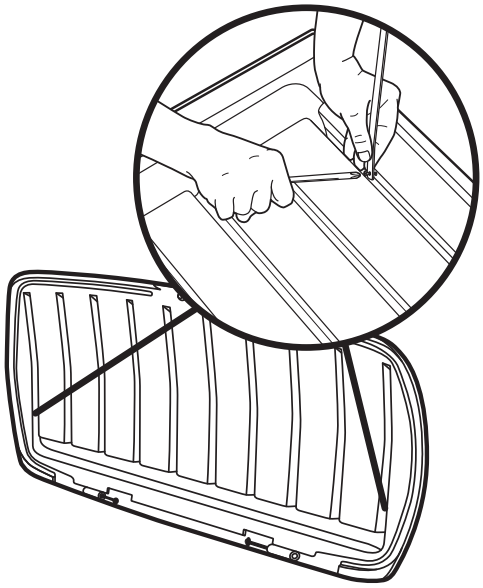

NOTE: Tabs may not come all the way out. This will not interfere with assembly.
REMARQUE : Les tampons ne pourraient pas sortir complètement. Cela n'affectera pas l'assemblage.
NOTA: Las guías podrían no sobresalir. Esto no interfiere con el ensamblaje del producto.
