

Pfister.

Montay Collection

Montay hits the spot. Actually, it hits all the right spots. Sleek and statuesque with just a taste of raw-edged industrial design, this ergonomic stunner incorporates a pull-down spray head at just the right height for no-reach cleanup. All the hidden inner workings are made to last as long as its modernist exterior adorns your kitchen. Montay, the chic reflection of today's best technology finished in shining simplicity. Go forth and cook.

Certifications:

All Pfister lavatory faucets that begin with "LG" meet California's lower flow rate regulations of 1.8 gpm @ 60 psi per the new California Plumbing Code.

Compliant with California and Vermont drinking water legislations. Meets NSF 61/9 Annex G Lead Requirements.

Many Pfister products are rated to meet or exceed CALGreen criteria, which reduce the overall use of potable water within the building by at least 20%.

Models displaying the International Symbol of Accessibility are accessible by physically disadvantaged persons and meet all ADA/ANSI A117.1 requirements. The ADA symbol applies to valve control only.
