# Port Haven Collection

# Port Haven

Whether you're feeding four or forty, do it with flair. Industrial design gives the Port Haven collection just enough edge to offset the oh-so-elegant, statuesque faucets that make a statement in your kitchen without ever uttering a word. These faucets are anything but ordinary. Keeping with the theme of popular trends, Port Haven thrives in modern rustic, modern industrial and eclectic traditional kitchen designs.

**Hydroblade** spray technology makes quick work of post-meal clean up—even if lingering conversation has left you with caked-on leftovers—while **Auto-Align** secures the 3-function spray head back into place so seamlessly it's worthy of its own standing ovation. Pfister's **MagnePfit** magnetic docking features powerful magnets that keep your spray head firmly secured.

## Features

Auto-Align™

HydroBlade™

Flex Line

MagnePfit™

3-Function Spray Head

## Certifications:

All Pfister lavatory faucets that begin with "LG" meet California's lower flow rate regulations of 1.8 gpm @ 60 psi per the new California Plumbing Code.

Compliant with California and Vermont drinking water legislations. Meets NSF 61/9 Annex G Lead Requirements.

Many Pfister products are rated to meet or exceed CALGreen criteria, which reduce the overall use of potable water within the building by at least 20%.

Models displaying the International Symbol of Accessibility are accessible by physically disadvantaged persons and meet all ADA/ANSI A117.1 requirements. The ADA symbol applies to valve control only.
