Universal Trim Multifamily Solutions

Pfister Universal Trim is the solution to cost effective hospitality remodeling projects. Using Pfister's unique adapter, Universal trim fits quickly and securely on most Moen & Delta in-wall valves. Universal Trim let's you save money, time and get the look you want.

Unlock the value in your multifamily remodeling project

Universal Trim lets you use the entire Pfister line to drive budget savings on your project by freeing you from being locked in by the valve in the wall. Look at the total unit savings below when using Universal Trim vs. the competition...the choice is clear:

Brand	Lavatory	Tub & Shower	Kitchen	Total Unit List Price
Pfister				\$283
List Price	G142-8000: \$93	R90-8MSC: \$90	G134-5000: \$100	
MOEN				\$329
List Price	L4621: \$152	TL183: \$57	67425: \$120	
DELTA				\$370
List Price	520LFWMPU: \$146	T13420: \$106	100-DST: \$118	

*All list prices are as of 6/2015. List prices subject to change without notice.
