

A close-up photograph of several galvanized threaded rods lying on a dark, reflective surface. The rods are arranged in a slightly overlapping, parallel fashion, receding into the background. The surface is wet, with numerous water droplets of various sizes scattered around the rods, creating clear reflections. The lighting is dramatic, highlighting the texture of the galvanized coating and the metallic sheen of the threads. The background is a solid blue color with a red diagonal stripe at the top.

# Galvanized Threaded Rod

Available in the following diameters: 3/8", 1/2", 5/8", 3/4"

**Features:**

- Weather resistant for high humidity environments
- Hot dipped galvanized for thicker zinc coating
- Out-performs zinc coated rod with weather treated lumber
- Meets ASTM A153 standard
- Meets ASTM A307 standard

The logo for National Hardware. It features the word "National" in a large, bold, black sans-serif font, with a stylized blue and red wave graphic above it. Below "National" is the word "Hardware" in a smaller, bold, black sans-serif font, followed by a trademark symbol (TM).
