QUARTZITE

BAODING CRÈME QUARTZITE COLLECTION

Bring a splash of color into your space with the Baoding Crème Quartzite wall and floor tiles by Rush River Stone. Created from natural quartzite, these tiles are naturally infused with soft green and grey tones. Bursts of cream and gold add warmth to the quartzite tiles, while hints of gold quartz bring the style together beautifully. Use pieces in this collection as an eye-catching accent above the stove or sink, or display as an entire backsplash in your kitchen.
