### CLAY SERIES

Introduce a contemporary look to your rooms with the 12" x 24" Clay Grafito, Clay Grey, and Clay Taupe floor tiles from Fired Earth Ceramics. These porcelain tiles present a grey, cement-like image that's swirled with tones of charcoal and white, cool, neutral grey, and warm, neutral taupe and creme. Straight edges and a matte finish produce a hip, urban look that complements assorted modern decors, especially in areas like the living room, shower and tub surround, or around your fireplace.
