CLEVELAND SERIES
The Cleveland Roble and Cleveland Wengue faux wood tiles from Fired Earth Ceramics combine earthy, organic charm with the durability of porcelain tiles. The 9" x 47" planks create a realistic look when used as floor tile, while the slightly textured grain enhances the natural effect of the wood-like tiles. A rich honey color adds soft sweetness to the creamy highlights and espresso accents of the Cleveland Roble, and a rich walnut color adds classic warmth to the chocolate highlights and olive accents of the Cleveland Wengue.
