**DECOR CONSTELLATION SERIES**  
Decor Constellation offers a unique mix of cement-look texture and dotted pattern on its surface, courtesy of a double-firing process. This process also lends different finishes to the tiles, creating the illusion of texture and shine. A versatile series in its own right, you can pair the 10" x 30" Decor Constellation dark grey A ceramic wall and floor tile with other colors of Decor Constellation tiles, with the Ionic series or all on its own for a rustic, industrial look.
