FRONDA HAYA

Having a resemblance to bleached maple, this ceramic tile has all the charm and character of natural wood. A subtle embossed texture completes the look.

FRONDA MARENGO

Enjoy the rustic elegance of the Fronda Marengo ceramic tile. Light and fresh, this faux wood tile gives your home a natural look with the easy durability and wear of ceramic. Cool silvery grey tones create a versatile look, letting you style your room in a variety of colors that coordinate. Textured with a wood grain pattern, this tile offers the organic look and feel of real wood.

FRONDA MUSGO

This mineral grey ceramic has a subtle imprinted wood grain texture. Works well as a substitute for hardwoods in areas such as a bathroom or entryway.

FRONDA NOGAL

A light texture gives the impression of natural wood in this ceramic tile. Tones of Honey and Ginger swirl around knots producing a weathered appearance.

See page two for additional product descriptions.

Fronda Wengue

AVAILABLE SIZES

FRONDA PERLA

Bring your design style to life with the rustic wood look of the Fronda Perla ceramic tile. This faux wood tile gives any room in your home a natural look with the easy durability and wear of ceramic. With its cool pewter tone and charcoal grain, this matte-finish tile easily pairs with other palettes and materials for a custom look. Textured with a wood grain pattern, this tile offers the organic look and feel of real wood on walls and floors.

FRONDA ROBLE

Dark chestnut and walnut tones create a feeling of warmth in this ceramic tile. A simulated grain produces interesting textures and markings resembling that found in natural hardwoods.

FRONDA WENGUE

This ceramic tile embodies visual attributes similar to that of the exotic Wenge wood species. A color palate of dark chocolate and warm black work well in high contrast applications.
