### PATCH ART SERIES

When your customer is seeking a stand-out design, opt for a tile that plays with texture and finish to add another dimension. The Patch Art 7" x 7" ceramic wall tiles have matte backdrops topped with glazed patterns on the surface created by an unusual second firing in the tiles' creation process. The random glossy patterns are set off by the contrasting finish of the background, adding up to one-of-a-kind works of art.
