PIXEL SERIES

The calming colors of the ocean that inspired the Pixel decorative tiles are perfect for adding a nautical twist to a kitchen or relaxed spa vibes to a bathroom. With navy-blue, sea-green and teal patterns topped with lighter flecks, it's easy to incorporate beautiful shapes into your home's design. Pair these with the solid blue and sea-green coordinating 8" x 8" ceramic wall tiles to add just the right amount of color and interest to walls without being too bold.
