

4 - PIECE SMALL VERSAILLES PATTERN

The Versailles Stone Pattern (or French Pattern) was inspired by the intricate, interlocking pattern created nearly three and a half centuries ago in the French palace of the same name. The Palace of Versailles has been listed as a World Heritage Site since 1979 and is one of the greatest achievements in French 17th century art. Bring a sense of classical opulence to your space with one of our carefully crafter Versailles selections.
