3. PRODUCT DESCRIPTION

Superior Grout & Tile Neutral Cleaner is a highly concentrated neutral pH cleaner designed for all water-safe surfaces. This product is designed to penetrate, suspend, emulsify and dissolve soil, dirt and minerals left from hard water deposits. It is ideal to use this product for keeping ceramic tile and grout clean and sanitary. Soap does not strip sealer as it's a base, but it does leave a residue that the Grout & Tile Neutral Cleaner does not.

DESCRIPTION

A. Uses

Designed for use with ceramic, porcelain, and natural stone tiles.

B. Features

- Neutral pH
- Residue free
- Deep clean without removing sealers or finishes
- Keeps tile and grout sanitary
- Biodegradable

C. Packaging

32 oz. container

D. Shelf Life

24 months. Store off the ground and protect from the weather.

E. Limitations

Do not allow cleaner to come into contact with any non-recommended surfaces.

4. Application

Do not handle until all safety precautions and instructions are read and understood.

DESCRIPTION

A. Mixing Instructions

Dilute Superior Grout & Tile Neutral Cleaner based on the cleaning level required:

Cleaning Level	Cleaner	Water
General Cleaning	½ - 2 ounces	1 gallon
Kitchen and Bathroom	4 - 6 ounces	1 gallon
Heavy Duty Cleaning	8 - 10 ounces	1 gallon

CUSTOMER SERVICE 1-888-398-6595

Data Sheets are subject to change without notice. For latest revision, contact our customer service representatives or your local showroom.

B. Application of Product

1. Apply cleaning solution liberally on the area to be cleaned.
2. Allow solution to stand 2 to 5 minutes.
3. Agitate with a grout brush or scrub pad.
4. Rinse thoroughly with clean water to ensure removal of surface soil.

C. Storage and Handling

Superior Grout & Tile Neutral Cleaner should be stored locked up and kept at temperatures not exceeding 120°F (49°C). Always wear proper PPE (eye, face, skin and respiratory protection) while handling. Do not breathe vapors. Use outdoors or in well-ventilated areas. Wear respiratory protection with adequate ventilation. Do not eat, drink or smoke while using. If inhaled, move to fresh air. If product gets on skin or in eyes, rinse with water for 15 minutes, and remove contacts if easy to do so. If irritation develops, get medical attention. Remove any contaminated clothing and wash before reuse.

5. AVAILABILITY

Available exclusively at The Tile Shop. Visit www.tileshop.com to find your nearest location or call 1-888-398-6595 for more information.

6. MAINTENANCE

Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Superior sealers and maintain surfaces with Superior cleaners.
