3. PRODUCT DESCRIPTION

Superior Grout Haze & Film Remover is formulated to assist with the removal of grout haze and film left on the face of the tile. Superior Grout Haze & Film Remover is ideal on glazed ceramic wall and floor tile, porcelain tile, slate stone and unglazed pavers. This product works best when pressure is applied using a scrub pad in a back-and-forth motion.

DESCRIPTION

A. Uses

Designed for use with ceramic, porcelain, and slate stone tiles to effectively remove the haze and residue left over from grouting.

B. Features

- Effective on glazed and unglazed finishes
- Suitable for floors and walls
- Contains no abrasives
- Interior and Exterior rated
- Use at full strength or diluted

C. Packaging

32 oz. container

D. Shelf Life

12 months. Store off the ground and protect from the weather.

E. Limitations

Do not allow Superior Antibacterial Natural Stone Cleaner to come into contact with any non-recommended surfaces.

4. Application

Do not handle until all safety precautions and instructions are read and understood.

DESCRIPTION

A. Application of Product

Grout Haze Removal:

1. Use at full strength on surface.
2. Allow Superior Grout Haze & Film Remover to stand 5-10 minutes while foaming begins.
3. Proceed to scrub back and forth in the area with a scrub pad or brush.
4. When haze or film has been removed, rinse surface thoroughly with clean water.
5. For difficult areas, repeat procedure

Superior Grout Haze & Film Remover

For Cleaning:

1. For heavy-duty cleaning, use 2 cups (16 oz.) of Superior Grout Haze & Film Remover with 1 gallon of water. For light cleaning, use 1 cup (8 oz.) of Superior Grout Haze & Film Remover with 1 gallon of water.
2. Apply cleaning solution to surface.
3. Let stand 5-10 minutes.
4. Proceed to scrub back and forth with a scrub pad or brush.
5. Rinse thoroughly with clean water.

B. Storage and Handling

Always wear proper PPE (eye, face, skin and respiratory protection) while handling. Do not breathe vapors. Use outdoors or in well-ventilated areas. Wear respiratory protection with adequate ventilation. Do not eat, drink or smoke while using. If inhaled, move to fresh air. If product gets on skin or in eyes, rinse with water for 15 minutes, and remove contacts if easy to do so. If irritation develops, get medical attention. Remove any contaminated clothing and wash before reuse. Store locked up in a cool, dry, well ventilated place. Keep from freezing. Dispose of unused contents according to local regulations.

5. AVAILABILITY

Available exclusively at The Tile Shop. Visit www.tileshop.com to find your nearest location or call 1-888-398-6595 for more information.

6. MAINTENANCE

Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Superior sealers and maintain surfaces with Superior cleaners.
