D. Shelf Life

24 months. Store off the ground and protect from the weather.

E. Limitations

Do not allow Superior Grout Release to come into contact with any non-recommended surfaces.

4. Application

Do not handle until all safety precautions and instructions are read and understood.

DESCRIPTION

A. Application of Product

1. Install tiles following installation instructions.
2. Allow approximately 24 hours for the adhesives to dry.
3. Apply a thin coat of Superior Grout Release using a sponge or sponge mop.

Note: If applying to natural stone, you must pre-seal the stone and allow the appropriate dry time according to the sealer package.

4. Be sure to cover tiles thoroughly and allow about 35 minutes to elapse for drying time.

B. Storage and Handling

Superior Grout Release should be stored locked up and kept at temperatures not exceeding 120°F (49°C). Always wear proper PPE (eye, face, skin and respiratory protection) while handling. Do not breathe vapors. Use outdoors or in well-ventilated areas. Wear respiratory protection with adequate ventilation. Do not eat, drink or smoke while using. If inhaled, move to fresh air. If product gets on skin or in eyes, rinse with water for 15 minutes, and remove contacts if easy to do so. If irritation develops, get medical attention. Remove any contaminated clothing and wash before reuse.
