3. PRODUCT DESCRIPTION

Superior Heavy-Duty Grout & Tile Cleaner is a cleaner designed for removal of the most difficult stains, mineral deposits, excess grout residue, soap scum and other hard-to-clean deposits for ceramic tile, brick or masonry surfaces which are not harmed by phosphoric acid.

DESCRIPTION

A. Uses

Designed for use with ceramic and porcelain tiles and masonry surfaces which are not harmed by phosphoric acid.

B. Features

- Deep Cleans
- Removes rust and mineral deposits
- Dissolves soap scum and stains
- Removes excess grout residue
- Can be used full strength or diluted.

C. Packaging

32 oz. container

D. Shelf Life

24 months. Store off the ground and protect from the weather.

E. Limitations

Do not allow Superior Heavy-Duty Grout & Tile Cleaner to come into contact with any non-recommended surfaces. Do not mix with ammoniated cleaners or bleach as harmful fumes will result. Do not use on marble, travertine or any natural stone surfaces.

4. Application

Do not handle until all safety precautions and instructions are read and understood.

DESCRIPTION

Acids of all kinds may etch, lighten or change the color of cementitious products. Depending on the cleaning task, Superior Heavy-Duty Grout & Tile Cleaner may be used full strength or may be diluted with up to 10 parts water.

A. Application of Product

1. Surface area to be cleaned should be moistened with water prior to applying cleaner.
2. Apply full strength or diluted cleaning solution to the surface.
3. Agitate with a grout brush or nylon scrub pad.
4. Before allowing any foot traffic on the surface, rinse twice with clean water.
5. Agitate with a scrub pad or grout brush to ensure full removal of cleaning agents and rinse again.

B. Storage and Handling

Superior Heavy-Duty Grout & Tile Cleaner Grout Release should be stored locked up in original container or in a corrosion-resistant container in a cool, dry, well-ventilated room, protected from direct sunlight. Always wear proper PPE (eye, face, skin and respiratory protection) while handling. Do not breathe vapors. Use outdoors or in well-ventilated area. Contact Poison Control for any of the following exposures. If inhaled, move to fresh air. If on skin, immediately wash off or rinse for several minutes. Remove contaminated clothing and wash before reuse. If in eyes, rinse with water for several minutes, remove contacts if applicable and continue to rinse. If swallowed, rinse mouth, and DO NOT induce vomiting. If any symptoms or irritation result from exposure, get medical attention. Absorb spillage to prevent material damage. Dispose of contents and containers according to local regulations.

5. AVAILABILITY

Available exclusively at The Tile Shop. Visit www.tileshop.com to find your nearest location or call 1-888-398-6595 for more information.

6. MAINTENANCE

Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Superior sealers and maintain surfaces with Superior cleaners.
