3. PRODUCT DESCRIPTION

Superior Stone Deep Clean is a heavy-duty alkaline restoration cleaner and degreaser concentrate for natural stone, ceramic, slate, sandstone, grout and masonry surfaces. When diluted, it will remove greasy soils and stains from many stone surfaces such kitchen counters, tile floors, shower stalls and ceramic tile surfaces bringing them back to their original beauty.

DESCRIPTION

A. Uses

Designed for ceramic, porcelain, natural stone, glass, and metal tiles for both walls and floors in interior and exterior applications. Suitable for both residential and commercial construction.

B. Features

- Deep Cleaning
- Concentrated/professional strength
- Emulsifies grease, wax, and soils
- Free-rinsing
- Non-abrasive
- VOC compliant in all 50 states
- Restores surface to original beauty
- Safe for stone, tile, and grout
- Acid neutralizer
- Interior and exterior use

C. Packaging

32 oz. container

D. Shelf Life

12 months. Store off the ground and protect from the weather

E. Limitations

Do not allow Superior Stone Deep Clean to come in contact with any surfaces not to be treated. Do not mix with strong acids or other chemicals. Keep container closed when not in use.

4. APPLICATION

Always pre-test this product in an inconspicuous area to ensure product performance and satisfaction. Users must determine suitability of product for their intended use. Always cover and protect surfaces not intended to be cleaned.

A. Mixing Instructions

In your test application, use mixing ratios below to determine dilution level for desired results. Mix with warm water for best results.

Cleaning Level	Cleaner	Water
Light Duty	1 part	8 parts
Medium Duty	1 part	4 parts
Heavy Duty	1 part	2 parts

B. Application of Product

1. Liberally apply cleaner to the surface using a low-pressure pump sprayer, mop or rag. Allow cleaner to dwell on surface for 2-5 minutes to break down soils.
2. Clean well, using a stiff nylon hand brush, white nylon pad, or 110-150 lbs. 1.5 HP 175-RPM floor machine with scrub brush or pad attachment for large floor areas.
3. Rinse well with clean water repeatedly, using a wet vacuuming system, clean mop, or sponge

C. Cleaning

Clean applicator tools with fresh water.

5. AVAILABILITY

Available exclusively at The Tile Shop. Visit www.tileshop.com to find your nearest location or call 1-888-398-6595 for more information.

6. MAINTENANCE

Natural stone needs to be cared for properly. Natural stone, tile, grout and masonry will maintain its beauty and last longer, repel stains and soils effectively, when treated with the proper stain protection. Seal stone and grout using Superior sealers and maintain surfaces with Superior cleaners.
