

PRO-STRIP SEALER & ADHESIVE REMOVER

Superior Pro-Strip is a nonflammable, multipurpose stripper formulated to remove most sealers, epoxy grout haze, urethane coatings, synthetic finishes, adhesives, and paints. This product draws out deep-set stains and removes heavy grease buildup.

Key Features

- Strips a variety of sealers and adhesives
- Removes grout haze
- Has a non-methylene chloride formula making it SAFE!

Installation

Packaging: 32 oz.

Mixing Ratio: Apply liberally to small, manageable area

Coverage: A quart will cover up to 25 sq. ft.

Application Tips

- Always test products in an inconspicuous area prior to general use
- Avoid contact with skin; recommended to wear gloves and eye protection
- Use in well ventilated areas only
- In case of spillage, absorb with sawdust or sand
- Use and store cleaner between 50° and 80° F

Steps to Apply Cleaner

- ① Shake well. Clean the surface area prior to use.
- ② Apply product liberally to a small, manageable area up to 25 sq. ft. Spread with a sponge and allow the product to sit on surface for up to 1 hour.
- ③ Agitate with a scrub brush or scrub machine.
- ④ Wipe up the residue with clean, absorbent towels. Rinse thoroughly with clean water. Repeat, if necessary.
- ⑤ Ready for surface traffic in 1 hour, or after the fumes have dissipated. Allow at least 24 hours of drying time before applying sealers.
