

# RUBBER MALLET

The Superior Rubber Mallet can be used for installation of your new tile, finishing pieces and accessories. It provides accuracy of a compact head and the comfort of an easy-grip handle that leaves a clean, finished look to your tile project.

## Key Features

- Dual material head featuring one soft black and one non-marking white face
- Solid rubber head delivers soft, positive strike
- Comfortable, easy-grip handle
- Fiberglass handle

## Specifications

<b>Material:</b>	Rubber
<b>Size:</b>	16 oz.
<b>Color:</b>	Black and White

## Rubber Mallet Tips

- Once you get several tiles laid in an area, use the rubber mallet to gently tap tile into place
- Use the white side of the mallet on lighter color tiles to prevent marking
