### CHALK SERIES

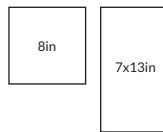

In a soft, matte finish, the Chalk series presents a textured appearance that almost resembles the surface of concrete. The square or diamond-shaped porcelain tiles are neutral in color yet rich in texture. Use the diamond shape to create a cube effect on walls and floors together with the rest of the neutral colors in the Chalk series or use either shape on its own for all-over texture.

PRODUCT	DESCRIPTION	SIZE	FINISH
680605	Chalk Dark 20cm	8in	Matte
680601	Chalk Dark RMB 18.5x32.2cm	7x13in	Matte
680604	Chalk Grey 20cm	8in	Matte
