## DOT SERIES

The Dot series is a tile with a twist. This ceramic tile brings a uniform look to floors and walls in an impactful way due to its large format. The Dot ceramic tile is a great large-format tile because it can be arranged in any of the many patterns that are possible with rectangular tiles, including creating unique patterns with both Dot series Blanco and Perla colors in one design.

| PRODUCT | DESCRIPTION        | SIZE   | FINISH |
