**KEDON SERIES**  
Kedon 3-D tile is the perfect way to introduce texture and interest to a wall or shower in a neutral way. The Kedon ceramic tile makes a statement, and its color pairs well with many other tile collections. Large-format wall tile has just begun to make its way into the American market from Europe, and it is growing in popularity. With its geometric star pattern, the Kedon pearl ceramic tile is perfect for adding subtle interest in a cool-grey, neutral color.
