PARALLELO SERIES
The inspiration behind the name of the Parallelo series is the 65th parallel that circles the earth and passes through the Atlantic Ocean, Europe, Asia and North America. The breathtaking sense of beauty and adventure that define the rugged terrain of Iceland are directly reflected in the design of Parallelo Grigio and Nero. These 15" x 30" porcelain tiles have a slab-style surface with unique character that mimics this natural, vivid style.
