**PROVENZAL SERIES**  
Meet an extremely unique tile collection that will evoke the feeling of the rustic, Spanish villa of your client's dreams. The Provenzal Alhama Cotto and Grey porcelain wall and floor tiles were inspired by and named after the stunning terracotta tiles emblematic of the city of Alhama de Granada, Spain. These 6" x 13" tiles come in a classic terracotta color composed of rust, orange and brown tones, as well as in a more modern grey, cement-look color palette. Combined with their unique shape, this collection will make any floor or wall the centerpiece of your customer's home.
