TEXTILE SERIES

Enjoy an elegant, natural look throughout your home with Fired Earth Ceramics' Textile Black, Grey and White floor tile. Its striated design brings to mind the soft, fibrous appearance of textured fabric or grass cloth. Cast in shades of grey, black and white with a matte finish and straight edges, this ceramic tile adds a dark silkiness or a dash of rustic charm to most contemporary decors. *When using in wet areas, epoxy grout and adhesive must be used.*
