

CANON EARNS HONORS FOR EXCELLENCE IN ENERGY EFFICIENCY

**2026–2028 MOST ENERGY EFFICIENT
TONER-BASED BRAND FOR A3 AND A4 DEVICES**

Canon U.S.A., Inc.
2026-2028 Most Energy Efficient
Toner-Based A3 Brand Award

Canon U.S.A., Inc.
2026-2028 Most Energy Efficient
Toner-Based A4 Brand Award

KeyPoint Intelligence evaluated nearly 200 devices from multiple manufacturers over a five-year period—including 20 Canon models—using a comprehensive testing methodology measuring energy consumption in real-world workflows. Testing assessed power usage during print, sleep, and recovery modes, as well as performance across a range of document types and job conditions.

Canon's Portfolio Stands Out With:

 Strong Productivity

 Low Overall Energy Consumption

 Efficient Power Usage

 Fast Print and Recovery Times
