

# 2026 A3 LINE OF THE YEAR AWARD

## imageFORCE

### 13-Time Winner — The Most in the Industry!

**"Canon's A3 portfolio continues to impress across generations, with the latest imageFORCE devices delivering the robust performance we have come to expect from Canon..."**

**Pete Emory**  
Director of NA/APAC Research & Lab  
Services at Keypoint Intelligence

**"The consistency of Canon's approach across their line-up further enhances the overall value of the A3 line, resulting in a well-rounded portfolio that can confidently support the demands of today's hybrid workplaces."**

**Rachel Dean**  
Technical Editor in Keypoint Intelligence's Workplace Group

In addition to superior performance across the entire A3 line during Keypoint Intelligence testing, Canon A3 MFPs deliver:

- Consistently Strong Image Quality
- Strong Feature Sets
- Robust Security Offerings
- Superior Performance
- Exceptional Ease of Use
