

PSWHTFLM

PET White Film Aqueous Inkjet Media

PRODUCT DESCRIPTION

PSWHTFLM is a 5 mil high gloss, fast dry, universally compatible polyester (PET) film. It is a premium alternative to photopaper with its wide color gamut, low dot gain, and high gloss finish. With its no-tear, lay-flat performance, it is designed for portable display applications where a thinner base is desired yet light blocking is not required.

It helps optimize natural skin tones, expanded shadow detail, smooth gradient blends, and neutral grays.

Universal compatibility on Canon, Epson®, and HP® aqueous printers.
