

# IT & SECURITY SERVICES

## MANAGED IT SERVICES

24/7/365 Help Desk support from expert technicians to help quickly resolve issues, apply patches, and keep your business productive.

## PROJECT SERVICES

Modernize and optimize your environment with application upgrades, integrations, data engineering, QA testing, AI solutions, and business analysis aligned to your goals.

## CLOUD SERVICES

Expert management of private and public cloud environments with predictable costs, daily backups, 24/7 monitoring, and optimization across Azure, AWS, and Google Cloud.

## DISASTER RECOVERY

Backup, off-site storage, and structured recovery plans that reduce downtime and help your organization recover quickly from unexpected disruptions.

## CYBERSECURITY

Enterprise-grade protection including threat detection (MDR/XDR), real-time monitoring, mobile device management, secure backup, and full network/server management.

## PROCUREMENT

Simplify technology purchasing—hardware, software, cloud services, and Managed IT—through one provider to help streamline billing and vendor management.

# WHY CANON FOR IT & SECURITY SERVICES

## EXPERT PARTNERSHIP

Canon's legacy, combined with the support of our Managed IT Services partner, Supra ITS, helps businesses stay secure and minimize downtime through a single provider for IT and cybersecurity.

## NSOC POWER

The Network Security Operations Center (NSOC) unifies IT and cybersecurity services, helping to keep operations running smoothly and reducing risk and confusion.

## STREAMLINED VENDOR MANAGEMENT

Consolidate management of office equipment and Managed IT Services from one vendor via Canon Financial Services, helping to reduce complexity and improve billing.

## SIMPLIFIED COMPLIANCE

Backed by ISO 27001 and SOC 2 certifications, expert guidance helps to simplify meeting regulatory demands without excessive cost.
