

## CLOUD-BASED WEB-TO-PRINT

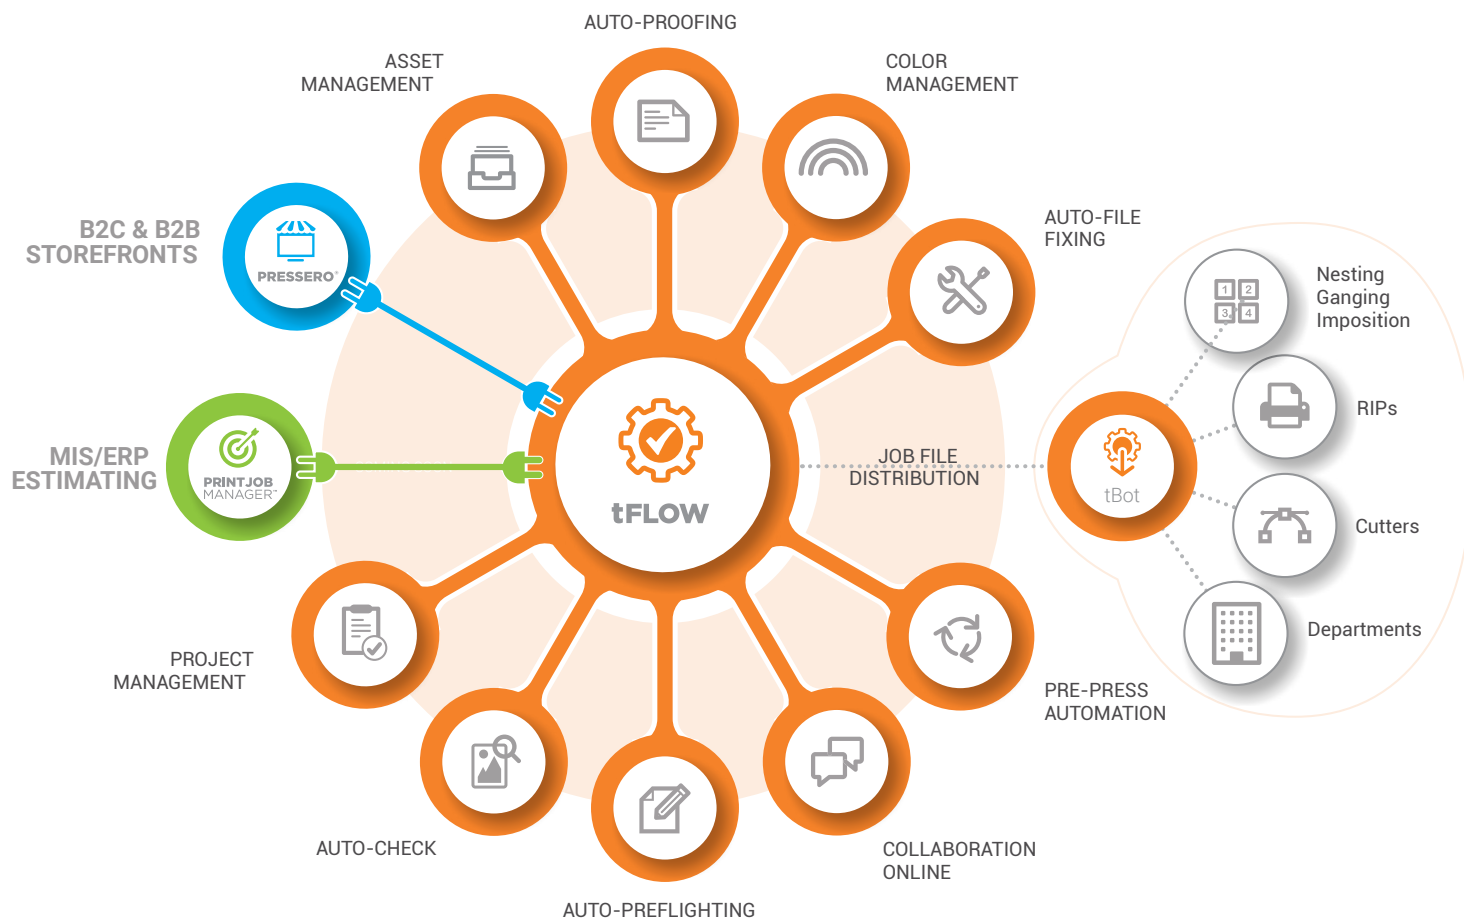

Prepress automation workflow software that is simple, integrated, mobile, and collaborative.

WHY CHOOSE  **tFLOW** ?

Manage customer jobs, files, and deadlines easily and quickly.

## AUTOMATING YOUR SUCCESS

Aleyant's automated print software solutions create a solid foundation for growing your print business (and customer count) by automating daily print processes such as ordering, pricing, file correction, production, customer service, and more.

Our automation print software helps to reduce manual touches, errors, and production time for your print shop. With it, you can connect online design to B2C and B2B online print stores. Connect your print store to estimating, production management, and to customer service and prepress automation. You can use Aleyant software products separately, together, or with more than 1,500 third-party apps via direct API or Zapier.

Avoid delays,  
missed deadlines,  
and costly mistakes
