

Canon named a LEADER in the IDC MarketScape: Worldwide Sustainability Programs and Services Hardcopy 2023 Vendor Assessment

This recognition is a result of Canon's initiatives that help protect and build harmonious relationships with the environment.

“

Organizations should consider Canon if they are looking for a hardcopy vendor that offers a holistic approach to cover every facet of sustainability, spanning business operations, products and business models, and governance/compliance.

- IDC MarketScape -

”

“

Canon should also be considered by those organizations looking for a supplier that can help the company advance its own sustainability objectives through the deployment of innovative solutions and technology.

- IDC MarketScape -

”
