

Canon's Commitment to Sustainability

Canon U.S.A., Inc. has won the ENERGY STAR® Partner Of the Year – Sustained Excellence Award for 2024! This is the 9th year in a row Canon has won the Partner of the Year award and 7th year of the Sustained Excellence accolade

Canon has been a longtime partner of the ENERGY STAR® program, as well as a seven time winner of ENERGY STAR'S Partner of the Year – Sustained Excellence Award. Their commitment to demonstrating exemplary leadership in energy efficiency and dedication to the ENERGY STAR® program have been an important contribution towards protecting the environment and public health, and we are grateful for their role in promoting clean energy.

imageFORCE & imageRUNNER ADVANCE DX Lineup is Rated EPEAT® Gold

The entire Canon imageFORCE & imageRUNNER ADVANCE DX line-up has been rated EPEAT Gold. An imaging device must meet an extensive list of environmental performance criteria before it can be listed on the EPEAT® registry. Some of these criteria are the absence of toxic substances, use of recycled and recyclable materials, design for recycling, product longevity, energy efficiency, corporate performance and packaging.

imageFORCE & imageRUNNER ADVANCE DX Certified EPEAT® Climate +

Dedication to sustainability is highlighted by the certification of imageFORCE & imageRUNNER ADVANCE DX series as EPEAT Climate+, showcasing Canon's commitment to environmental responsibility.
