

# Color imageCLASS X LBP1333C

Print up to 35 ppm (Color)

Print up to 8-1/2" x 14"

850-sheet maximum paper capacity

Supports uniFLOW and uniFLOW Online

Designed for small workgroups within an office or home environments used as part of an organization's extended print fleet, the Canon Color imageCLASS X LBP1333C printer balances speedy performance, minimal maintenance, and the ability to add an extra paper tray for busy groups. A 5" color touchscreen delivers an intuitive user experience and can be customized by a device administrator to simplify many daily tasks.

- 5" intuitive color touchscreen with smartphone-like usability.
- UI customization allows users to drag and drop frequently used icons.
- New Application Library features create a unique, customized device experience and ease of use.
- Supports certain compatible mobile printing solutions.<sup>1</sup>
- Designed for small print jobs with firstprint-out time as fast as 7 seconds.
- Provides consistency with the imageRUNNER ADVANCE DX Series.

## **SECURITY FEATURES**

- Helps reduce the risk of confidential information loss, since documents are only stored in short-term memory.
- Supports Verify System at Startup, a process to help verify the validity of the device firmware and Application Library from unauthorized modifications.
- With imageWARE Enterprise Management Console Device Configuration Manager Plug-in, security settings can be captured and exported to other devices on the same network.<sup>2</sup>
- Remotely control device access and set rules via optional uniFLOW or uniFLOW Online.<sup>3</sup>

## **COST MANAGEMENT**

- Leverage optional uniFLOW or uniFLOW Online for full accounting and reporting, pull printing, and job routing.<sup>3</sup>
- Service parts are designed for machine's life cycle to help minimize the need for proactive maintenance and potentially reduce service calls.
- High-capacity, all-in-one cartridge helps reduce overall supply costs.
- Out-of-the-box, standard, two-sided printing plus the ability to print multiple pages onto one sheet help to reduce paper consumption.

### **DEVICE AND FLEET MANAGEMENT**

- · Designed for quick, easy deployment.
- Remote diagnostics for rapid service response.
- Easily monitor device status and consumable levels, observe meter readings, manage settings, and implement security settings.

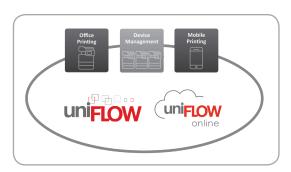

### **QUALITY AND RELIABILITY**

- Canon's signature reliability and engine technologies help keep productivity high and minimize the impact on support resources.
- Designed to achieve maximum uptime with status notifications to help keep supplies replenished.
- Intuitive maintenance videos for common tasks like consumables replacement.

### **SUSTAINABILITY**

- A combination of fusing technologies and low-melting-point toner minimizes power requirements and helps achieve lower energy consumption.
- Encourages environmentally conscious work practices by enabling multiple settings that can help save paper and energy.
- ENERGY STAR® certified, EPEAT® Silver.4

### MANAGE OUTPUT WITH uniFLOW Online

uniFLOW Online is a cloud-based printing, scanning, and accounting solution that's easy to configure and secure.3 The solution extends the standard functionality of imageRUNNER ADVANCE DX, imagePRESS Lite, and compatible imageCLASS and imageCLASS X models by adding My Print and Scan Anywhere, mobile printing, and more, to support users whether they're in the office or at home.

### **FLEET MANAGEMENT TOOLS**

imageWARE Enterprise Management Console can be used by a device administrator to centrally manage the Canon printer fleet, including consumables, status notifications, meters, and configuration settings. imageWARE Remote software allows for the service provider to manage devices proactively, including remote diagnosis and reporting. Local Content Delivery System facilitates remote firmware download at the device level.

### **EASY TO USE WITH APPLICATION LIBRARY**

Unique to the Canon product line, the Application Library platform allows for one-touch button creation of key functions: Print Template, Standby Slide (screen saver), Consumables Information, Language, Print Client Faxes, Fax to Preset Destination, Template Email, Standby Slide from Server, and Print File from Server.

### **Main Unit**

**Core Functions** Standard: Print

Processor

Cortex-A9MPCore 1200 MHz×2

Control Panel 5" Color Touch Panel
