Office Document Scanner

## imageFORMULA DR-M1060II OFFICE DOCUMENT SCANNER

The Canon imageFORMULA DR-M1060II office document scanner is a compact and versatile scanner, designed to enhance productivity in any office setting. With diverse document size feeding and two reliable feeding paths, the DR-M1060II is capable of fast letter-size / A4 scanning, U-turn path ledger-size / A3 scanning capabilities, long documents, and more.

### WIDE RANGE OF USES

Equipped to handle high volumes of paperwork, the imageFORMULA DR-M1060II scanner is designed to improve workflows and help increase information management efficiency. The scanner is ideal to help optimize document digitization in various sectors, such as government, finance and insurance, healthcare, education, utilities, manufacturing, and more.

### PRODUCTIVE AND EFFICIENT

The imageFORMULA DR-M1060II office document scanner features two versatile paper feed paths: the default U-turn path, and a user-selectable straight feeding path. The multi-feeding paths allow this scanner to handle a variety of document types, including thick, thin, long or wide documents, business cards, and plastic cards. The default U-turn path also contributes to the compact body design of the DR-M1060II scanner, helping to maximize desk space and enable users to scan documents seamlessly, without the need for a lengthy feed or eject tray. The user-friendly control panel allows for the selection of various jobs and the automatic batch separation, naming, and sorting abilities help to streamline the scanning process and can help improve productivity. The DR-M1060II can scan up to 60 pages per minute and holds up to 80 sheets in the feeder. The scanner also has the ability to scan in color, grayscale, and black-and-white.

### BUNDLED SOFTWARE TO SIMPLIFY TASKS

The imageFORMULA DR-M1060II scanner helps to simplify scanning tasks with the included Canon CaptureOnTouch scanning software. With high-quality imaging and a variety of image processing functions, users can convert documents into different file formats, enhance scanned images, and more.

### ENVIRONMENT IN MIND

The DR-M1060II office document scanner is EPEAT Gold, ENERGY STAR® certified, and is packaged with minimal plastic materials.

### PEACE OF MIND WITH CUSTOMER CARE

The imageFORMULA DR-M1060II scanner comes with a three-year limited warranty for advanced exchange service. In the unlikely event the device does need a covered repair, Canon will send a replacement scanner in advance of receiving the device that needs repair. Additionally, Canon's customer service for the DR-M1060II is 100% U.S.-based, so representatives are quickly available to get any needed answers. Canon also offers extended warranty options for coverage beyond three years.
