

Large Format Specialty Print Media

Durable Matte Polypropylene Banner, 130gsm

The Durable Matte Polypropylene Banner is polypropylene based with a matte surface banner material. This banner has good opacity and has a thin flexible paper like feeling making this item perfect for hanging without creasing. This media is tear resistant compared to paper products. It is ideal for signage hung up in window displays, entertainment centers, exhibit displays and trade shows.

Canon Sign/Banner/Display Media

Eye-catching signs, bulletins, and announcements are easy to create with Canon large format printers. To suit many applications, our sign and banner media are tear resistant and offer a variety of special features, such as adhesive backing and vinyl coating.

Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications

- Event and Directional Signage
- Showrooms
- Supermarkets
- Exhibitions & Sporting Events
- Ceiling Displays
- Theater Lobbies
