

Large Format Specialty Print Media

Fine Art Bright White, 230gsm

This high quality, 100% cotton, acid-free inkjet paper has a bright white shade providing more visual contrast. Ideal for photographic and fine art reproductions, business cards and certificates.

Canon Fine Art Media

Special art work deserves special media. Paintings and digital art superbly reproduce on imagePROGRAF Fine Art Media. Available in canvas, baryta, etching and water resistant styles, imagePROGRAF media can meet every fine art printing challenge.

Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.
