Premium Plain Paper, 80gsm

This lightweight premium plain paper has been designed for economical everyday technical and graphic usage. Applications include engineering drawings, maps, presentations, signs and posters that are updated frequently.

Coated Papers/CAD/GIS

Blue prints, maps, schedules and sketches are ideally rendered with Canon large format printers. These media are ideal for engineers and architects as well as CAD and GIS applications. For everyday use and draft printing, Canon has a wide variety of durable, inexpensive coated paper.
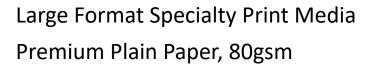

Canon media goes through rigorous testing to ensure compatibility with imagePROGRAF printers in order to provide the best image quality.

Applications
- Monochrome scale drawings
- Gray Scale drawings
- Posters/Presentations
- POP/POS Signage
- CAD/AEC/GIS Applications
- In-progress Designs
