

ENGINEERING AND CAD WIDE FORMAT MEDIA

Wide Format Engineering and CAD Media has everything you need to stay productive, whether it be architectural design, high-volume print distribution, or presentations. Engineering and CAD media is compatible with most brands of wide format printers. Available in sheets and rolls in selected sizes. We offer quality products and competitive pricing to help you build your applications and to meet the widest variety of customer demands.

WHY CANON U.S.A.?

Canon U.S.A. recommends forward-thinking strategies to achieve the highest levels of information management efficiency for your unique business needs. Using superior technology and innovative services, we then design, implement, and track solutions that improve information flow throughout your organization in environmentally conscious ways, helping to result in greater productivity and reduced costs.

There are many reasons why you should choose Canon U.S.A. as your provider for document management solutions. Benefits include:

- Business Services
- Professional Services
- Global Capabilities
- Certified Training and Support
- Flexible Finance Options
- Single-Source Solutions Provider
- Managed Document Services
- Nationwide Coverage
- Customized Industry Solutions
- Genuine Canon and Parts and Supplies
- Diverse Range of Input-to-Output Technology

But that's not all. As a company that is dedicated to your needs, we support our solutions with highly skilled professionals and advanced diagnostic systems to maintain peak performance. And with ongoing consultation, we can further your document management capabilities to ensure the highest level of satisfaction and productivity.
