imageFORCE C1743P

- Color Multifunction Printers (C1743F/C1752F)/ Single-function Printers (C1743P/C1752P)
- Prints up to 55 ppm[1] (BW/Color, Letter)
- Scans up to 200/200 ipm (300 dpi, BW/Color, Duplex)[2]
- Up to 2,300 Sheet Maximum Paper Capacity
- Supports uniFLOW Online and Authorized Send Compact[2,3]

THE POWER OF NEXT

To push the boundaries of what's possible, you must be bold. The **Power of Next** represents Canon's latest phase of ambitious and advanced print innovation with the comprehensive lineup of imageFORCE technology. This highly productive series is designed to help you **print better**, **do more**, and **stay ahead** in today's digital workplace. Backed by a strong commitment to the *Kyosei* philosophy—which promotes living and working together for the common good—Canon ushers in a new era of printing.

imageFORCE C1700 SERIES

Canon's imageFORCE C1700 Series is designed to deliver brilliant, high-speed, high-quality color printing in a compact design great for organizations that need reliable performance in space-conscious environments. Built on Canon's imageFORCE platform, these models combine advanced security features, seamless connectivity, and efficient performance to help streamline everyday workflows. With multifunction and single-function options, the imageFORCE C1700 Series is designed to integrate easily into existing print environments while supporting flexible workstyles. All in a space-saving package that helps keep your office running smoothly and securely.

imageFORCE C1743F shown with optional accessories.

PRINT BETTER

Produce high-quality output with vivid color, sharp text, and the consistent dependability of Canon technology.

QUALITY AND RELIABILITY

Proven Performance
Built on Canon's trusted technology, the imageFORCE C1700 Series is designed to deliver consistent, high-quality color output at speeds up to 55 ppm[1], helping teams stay productive throughout the day.

Vivid Image Quality
Advanced imaging technology and toner formulation work together to produce crisp, clear text and detailed graphics for high quality documents.

Maximized Uptime
Designed for continuous productivity, the imageFORCE C1700 Series offers real-time status updates, easy supply replenishment, and intuitive maintenance tools to help minimize interruptions.

Scalable Engine Speeds
Choose the right pace for your business. The imageFORCE C1743 model delivers reliable output speeds up to 45 ppm, while the imageFORCE C1752 provides up to 55 ppm. Upgrading performance is seamless with Canon's optional speed license, allowing your print capability to grow as your business expands.

HELP EXPAND PRINT EFFICIENCY WITH WORKFLOW SOLUTIONS

Manage tasks, track costs, and print and scan all on one platform with the optional uniFLOW Online solution, a powerful cloud-based solution that helps to reduce IT workload and adds flexibility to your print environment.

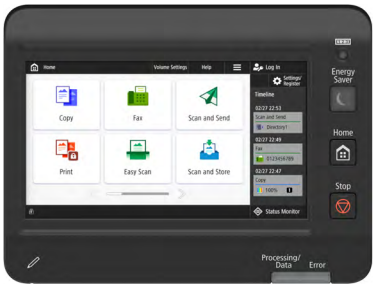

BUILT TO PERFORM IN COMPACT SPACES

The imageFORCE C1700 Series combines reliable performance with a space-saving design, making it an excellent fit for busy offices where footprint matters. With intuitive controls and advanced connectivity options, these devices are designed to help teams work efficiently without compromising on quality or security.

DO MORE

INTUITIVE WORKFLOWS FOR EVERYDAY USE

Help elevate daily efficiency with seamless workflows, simple and intuitive print technology, integrated solutions, and flexible media handling.

SIMPLE USER INTERFACE

The imageFORCE C1700 multifunction models feature a 7-inch color touchscreen designed for ease of use and quick navigation.

- Clear, icon-based menus for fast access to key functions.
- Customizable settings for language, accessibility, and display preferences.
- Tiltable screen for improved visibility in different work environments.

WORKFLOW EFFICIENCY

- Supports mobile print solutions such as Apple AirPrint®, Canon PRINT, Mopria®, and Universal Print.[4]
- Integration with uniFLOW Online for secure, cloud-based print and scan management.
- Scan and convert documents to searchable digital formats, including PDF/A.[2]
- Supports integration with optional Authorized Send Compact for secure document capture and distribution with user access controls.[2,3]
- Supports popular cloud services such as Google Drive, One Drive, and Dropbox.[5]
- Integration with Canon and select third-party software with embedded application platform.[5]

Envelopes

CLOUD-READY SOLUTIONS

The imageFORCE C1700 Series supports seamless integration with a variety of cloud services and Canon solutions to help streamline document workflows. With the optional uniFLOW Online, businesses can manage print and scan[2] tasks securely from virtually anywhere. These devices also support mobile printing, making them ideal for today's connected work environments.

HASSLE-FREE SETUP AND MAINTENANCE

Canon U.S.A.'s range of Smart Services are available as an option and are designed to help support you at every stage of the device management life cycle. Benefits include:

- Setting up and deploying your devices quickly.
- Enabling proactive service and fast issue resolution.
- Access upgrades and replace parts with ease.

GAIN CONTROL OF YOUR FLEET

Canon imageWARE Enterprise Management Console (iW EMC) is a highly scalable, browser-based utility capable of installing and managing multiple Canon networked devices. imageWARE Enterprise Management Console helps to monitor device status, consumables, and more. Benefits include:

- Increase Uptime
- Real-Time Monitoring
- Scalable

PRINTING THAT PERFORMS. SCANNING THAT DELIVERS.

The imageFORCE C1700 multifunction models deliver print speeds up to 55 ppm[1] and include high-speed scanning capabilities—up to 100 ipm (1-sided) and 200 ipm (2-sided) at 300 dpi in black-and-white and color. Whether you're scanning reports, ID cards, or everyday documents, the device is designed to deliver clean, high-resolution results that can integrate seamlessly into your digital workflows.

STAY AHEAD

FUTURE-READY. SECURITY-FOCUSED FEATURES. LOW-IMPACT DESIGN.

Make the move forward with cutting-edge print technology that is built to help your organization be more productive, and more prepared for the unexpected.

SECURITY FEATURES TO HELP SAFEGUARD YOUR INFRASTRUCTURE

Implement security features designed with the modern workplace in mind. These include:

Security Environment Estimation: Recommends security settings based on the device's operating environment.

Verify System at Startup[6]: At device start-up, helps to verify that the boot process, firmware, and applications have not been altered or tampered with. Includes automatic recovery of boot process.

Document Security: Features such as Secure Print, Encrypted PDF, and uniFLOW Secure Print (optional) help to protect sensitive information during output and transmission.

SIEM Integration[7]: The ability to integrate your print devices into your compatible security and event monitoring strategy.

Trellix™ Embedded Control[6]: Utilizes whitelisting to help limit execution of unrecognized malware or tampering of existing firmware/applications.

Control Access: Provides flexible authentication methods for PIN, username/password, or badge authentication accessibility, and display preferences.

CANON'S FUTURE-READY UNIFIED FIRMWARE PLATFORM

With Canon's Unified Firmware Platform (UFP), a common source code for firmware development embedded within the imageFORCE products, your device can benefit from regular updates—which may include additional functionality to existing models—and the latest features.

BUILT WITH SUSTAINABILITY FEATURES

From thoughtful design to efficient energy use, Canon's commitment to the environment can be seen with the imageFORCE series of printers. Features include:

- A combination of highly efficient fusing technologies and low-melting-point toner that help to minimize power requirements and achieve low energy consumption.
- Promotes smarter work habits with customizable settings that help reduce paper use.
- EPEAT Bronze (EPEAT 2.0) and ENERGY STAR® certified.

CONFIGURATION OPTIONS

imageFORCE

C1752F/C1752P

imageFORCE C1743F

imageFORCE C1743P

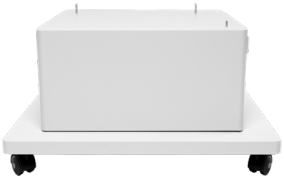

Cassette Feeding Unit-BA1

- 550 sheets capacity
- Supports up to Legal sized paper
- Supports 16 lb. Bond to 60 lb. Cover

Cassette Module-AL1*

- 550 sheets capacity
- Supports up to Legal sized paper
- Supports 16 lb. Bond to 60 lb. Cover

Cabinet Type-Z^

- Floor Standing Option
- Weight: 31.7 lbs. (14.4 kg)
- Dimensions (W x D x H): 25.8" x 25.3" x 14" (657 mm x 642 mm x 355 mm)

ACCESSORIES AND CONSUMABLES

ACCESSORIES

TPM Board-A1: Tamper-resistant hardware security chip installed in compatible Canon devices to protect sensitive data.

Remote FAX Kit-A1: Enables a Canon device acting as a "client" machine to use the Remote Fax function over a network.

PCL International Font Set-A1: Enables users to add fonts to a PCL printer in multiple languages.

Universal Send Trace & Smooth PDF Kit-A1[2]: Enables authenticated users to send and save scanned PDF or XPS documents embedded with a digital signature unique to that individual user.

Barcode Print Kit-D1: Installs bar code fonts for bar code printing.

Canon eCarePAK[8]: Canon Extended Service Plans offer coverage beyond the standard one-year limited warranty for up to four years.

GENUINE® CONSUMABLES

Always look for the Canon anti-counterfeiting hologram on your Canon GENUINE product packaging.

Toner T1009 Black Yields up to 18,700 Impressions

Toner T1009 Cyan Yields up to 12,000 Impressions

Toner T1009 Magenta Yields up to 12,000 Impressions

Toner T1009 Yellow Yields up to 12,000 Impressions

Canon GENUINE toner are engineered to help your Canon printers perform at their best. The exceptional design of GENUINE products can help your Canon printers deliver consistent, reliable performance and produce vibrant output. Black Toner (yields up to 3,800 pages) and C/M/Y Toners (yields up to 3,100 pages each) are included in the box.

* Up to 2 Cassette Module-AL1 units can be added.
^ When configured with Cabinet Type-Z, the imageFORCE C1700 Series supports a maximum of two (2) additional Cassette Module-AL1 units.
