

MAXIFY GX MEGATANK SERIES WIRELESS ALL-IN-ONE PRINTER

Built to meet all your business needs.

MAXIFY GX4020

Wireless. Print. Copy. Scan. Fax.

MAXIFY GX3020

Wireless. Print. Copy. Scan.

HIGH PAGE YIELD: Print up to 6,000 Black / 14,000 Color pages per ink set³

LOW COST PER PRINT: Less than 2 cents per page³

FAST PRINT SPEEDS: Print up to 18 ipm Black / 13 ipm Color⁴

BK Bottle = 167 ML CL Bottles = 132 ML Each

USABILITY

SMALL FOOTPRINT

Not only are the MAXIFY GX Series printers packed with features, they're also designed small to fit your workspace.

EASY SETUP

EASY SETUP

Get running in just a few minutes thanks to a streamlined setup process out of the box.¹

2.7" LCD Touchscreen (GX4020)
1.35" LCD Monochrome (GX3020)

EASY TO FILL

Ink bottles are a "keyed shape" so the nozzle only fits and fills the correct color ink tank

PRODUCTIVITY & COST SAVINGS

HIGH PAGE YIELD

Print up to 6,000 Black / 14,000 Color pages with just a single set of inks³.

LOW COST PER PRINT

Save on printing with a low cost per print of less than 2 cents per page.³

VERSATILE MEDIA SUPPORT

Print on envelopes, greeting cards, glossy photo paper, high resolution paper, banners, and more!

AUTO DOCUMENT FEEDER

Copy multi-age documents with ease with the 35-Sheet Auto Document feeder. (GX4020 Only)

PERFORMANCE & DEPENDABILITY

SHARP TEXT & DOCUMENTS

Thanks to a 4-Color Pigment Ink System, you'll get sharp and highlighter-resistant text.

WASTE-CONSCIOUS

Thanks to high page yield ink bottles, keep waste and time spent refilling ink to a minimum.

BUILT TO LAST

Get the job done during those busy months with a monthly duty cycle of up to 33,000 pages.²

ETHERNET

Built-In Ethernet connection for Wired LAN support (GX4020 Only)

MAXIFY GX4020

MAXIFY GX3020

Functions

Print, Copy, Scan, Fax

Print, Copy, Scan

Paper Capacity (Plain Paper)

350 Sheets (1x 250 Sheets/Per Cassette + 100 Sheet Rear Tray) + 1 Rear Flat Tray for Paperboard Sheet.

Page Yield

New Set of Ink Bottles GI-26 (BK, C, M, Y): BK = up to 6,000 pages / CL = up to 14,000 pages.

DIY Maintenance

Replaceable Print Head and User Replaceable Maintenance Cartridge

SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE. ALL VIEWSCREEN AND PRINTER OUTPUT IMAGES ARE SIMULATED.

* Warranty is effective for three (3) years from date of original purchase or the printing of 80,000 pages, whichever comes first. Warranty program is subject to certain conditions and restrictions. See www.usa.canon.com/maxify-gx-series-warranty for details.

Wireless printing and scanning requires a working network with wireless 802.11b/g/n capability, operating at 2.4GHz or 5.0GHz. Wireless performance may vary based on terrain and distance between the printer and wireless network clients.

- 1 Requires a smart device with the Canon PRINT Inkjet/SELPHY app installed and connected to the desired active wireless network to complete cableless setup.
 - 2 Duty Cycle is defined as the maximum number of printed pages for a single peak month.
 - 3 Claim is based on page yield of 6,000 Black/14,000 Color pages per ink bottle set and MSRP (USD) of \$126.96 for full set of GI-26 ink bottles (1 bottle each of Cyan, Magenta, Yellow, Black) as of March 2021. Page yield of color inks is an average yield of cyan, magenta and yellow inks combined. Page yield of included ink bottles used for initial setup is lower than the replacement ink bottles, as a certain amount of ink is consumed to fill into the print head during setup (charging the print head initially). Actual page yield and cost per print will vary significantly based on content printed, ink levels maintained in all four ink reservoirs, and other factors. Page yield is the estimated value based on Canon individual testing method using ISO/IEC 24712 test chart and continuous printing simulation with full set of replacement ink bottles after initial setup. Ink value savings and cost per print comparison with laser is based on total cost (using online manufacturers' prices as of March 2021) of high yield and standard capacity (where high yield are not available) laser cartridges necessary to achieve equivalent page yields by similarly featured color laser printers.
 - 4 Document print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734. Photo print speed is based on the default setting using ISO/JIS-SCID N2 on Photo Paper Plus Glossy II and does not take into account data processing time on host computer. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc. Copy speeds are the average of sFCOT and sESAT, ISO/IEC 29183. Copy speed may vary depending on document complexity, copy mode, page coverage, type of paper used etc. and does not take into account warming up time. See www.usa.canon.com/ipm for additional details.
